Notes

*1234 indicates that a plan is shown on chart 1234.

A number against a place name shows that a separate plan is published bearing that number.

See indexes A, A1 and W for smaller scale charts.

The Australian charts shown in this index are reprinted by the UKHO. Details about other charts covering Australian waters can be found on the Australian index charts Aus5000 and Aus5001 and through the Australian chart index at www.hydro.gov.au. These charts are obtainable through Admiralty Chart Agents/Distributors listed on pages 6 to 8.
